GREEN AVAILABILITY

The Green is available for play all day on Saturdays, Sundays and Bank Holidays from 10.00 a.m. On all other days from 2.00 p.m.

COMPETITIONS

In single-handed competitions the first named in the draw is the challenger and is responsible for obtaining a marker and ensuring the tie is completed by the set date. In the event of the challenger failing to provide a marker, his opponent may claim the game. In team competitions the skip of the team appearing first in the draw shall be responsible for arranging the game. The responsible player in each tie is required to enter in the book the agreed date, time, rink number and if applicable, the marker's name.

RINK AVAILABILITY

On days other than those where there are four rink Club matches, at least two rinks shall be left for 'ROLL UPS'. Where there are four rink games, the two remaining rinks shall be available for 'ROLL UPS' and not Club Competition.

AVAILABILITY FOR MATCHES

Members will be expected to make themselves available for at least 3 club fixtures at home and 3 away during the season. Non-compliance with the above may result in the Committee, at its discretion, debarring a member from Club Competitions in the following season.
